

Warranty Issues

ACE PROPERTY SERVICES CORP strives in creating the ideal roof for your needs. If you observe or have concerns about any areas that you notice workmanship defects after the completion of the roof, please complete and send this information to Ace Property Services Corp. If you decide to send the request by fax, we strongly recommend calling the office to confirm faxed document was received. We will set up an appointment with you to have one of our roofing technicians arrive at the home to repair those roofing problems covered under the warranty.
